It's part of a worldwide game loved by GPS (Global Positioning System)		
It's part of a worldwide game loved by GPS (Global Positioning System) users who are on the Internet. It's like a scavenger hunt - it's called "Geocaching". A GPS user hides a "treasure" (this container), and		
publishes the exact coordinates so other GPS users can come on a "treasure hunt" to find it.		
Just 2 Rules! If you take a trinket, leave something, too (but nothing illegal or harmful), and you must write about your visit in the 'log book'.		
IF YOU FOUND THIS CONTAINER BY ACCIDENT:	-	
Great! You can join in with us! We only ask:		
 Please don't move or vandalize the container. The real fun is just finding it and recording a visit. 		
Go ahead and take something if you like. But also leave something too.		
And let us know you found this by visiting the website below. The GPS		
Stash Hunt is for everyone with a sense of adventure. There are several thousands of their around the world. If you want to learn more, or have		
any comments, visit: <u>www.qeocaching.com</u>		
Or e-mail the owner of this cache:		
THANKS FOR VISITING! :-)
