CONGRATULATIONS, YOU'VE FOUND A GEOCACHE!

This container is part of a worldwide sport dedicated to GPS (Global Positioning System) users, called GPS Stash Hunting, or Geocaching. The game basically involves a GPS user hiding "treasure" (this container and its contents), and publishing the exact coordinates so other GPS users can go on a "treasure hunt" to find it.

IF YOU FOUND THIS CONTAINER BY ACCIDENT:

Great! You are welcome to join us! We ask only that you:

- Please do not move or vandalize the container. The real treasure is finding the container and sharing your thoughts with everyone else who finds it.
- Go ahead and take something if you wish, but please also leave something of yours for others to find. Write it in the logbook.
- If possible, let us know that you found it by visiting www.geocaching.com

GPS Stash Hunting is open to everyone with a GPS and a sense of adventure. There are similar sites all over the world. Visit www.geocaching.com to learn more.

If this container is on private property and you wish it removed, let us know. We apologize, and will be happy to move it.
